10th Saskatchewan Skills Competition

March 13-15, 2008, Saskatoon, SK

Skills Canada Saskatchewan is a not-for-profit organization that actively promotes careers in skilled trades and technologies to Saskatchewan youth.

Skills Canada Saskatchewan can be a leader in strengthening the trades and technology sectors in Saskatchewan; bringing together key stakeholders to address the challenges and opportunities through mutual common mandates and initiatives.

Mission:

To promote skilled trades and technologies as a first choice career option [for youth] in Saskatchewan.

Goals of Skills Canada Saskatchewan:

1. To improve the public perception of the importance of trade and technology-based careers;
2. To promote the career path opportunities within trades and technology;
3. To develop and maintain strong links between business, labour, education and government;
4. To encourage students to recognize the value of completing secondary education for personal development and future employment.
