2010 Provincial Skills Competition Scope Document

EVENT: WOMEN'S APPAREL DESIGN	LEVEL: SECONDARY
START TIME: 8:30 April 16 2010	LOCATION: St. Mary High School Room B21
INTERNATIONAL TRADE #: 31	DURATION: 7 Hours

SAFETY REQUIREMENTS:

Competitors are required to follow all industry safety standards during the competition.

PURPOSE OF THE CHALLENGE:

Assess the contestant's ability in pattern layout, fabric cutting and sewing construction in the field of women's apparel.

SKILLS AND KNOWLEDGE TO BE TESTED:

The contest focuses on practical work. Theoretical knowledge is limited to that necessary to carry out the practical work. Candidates are required cut out and sew a garment based on the project description.

Contestant will be required to do the following on the competition day:

- Cut out and sew a dress according to specific requirements, within a determined time frame.
- Use interfacing and notions as supplied.
- Mark and cut the fabric, and apply interfacing as required for their garment.
- Construct the garment using a domestic sewing machine.
- Understitch, finish and do final press of garment.

Equipment, Tools, Supplies, Clothing:

Supplied by Competitor

Contestants must also provide their own tool kit, containing at a minimum the following items:

- Sewing construction tools*
- Pressing tools (press cloth, seam rolls, etc.)

A description of the fabric to be provided is available in the project description.

***Sewing construction tools** include: Marking pen, shears, tape measure, pins, seam ripper, seam gauge.

Supplied by Committee

Provided for the contestants

Each candidate will be provided with a domestic sewing machine, notions and interfacing and the fabric required to complete the garment. Sergers and irons will be shared by contestants.

Note: Contestants cannot bring books, written notes, diagrams or directions into the competition. No outside equipment, paper, scrap fabric, or embellishing materials may be brought on site.
