

WHO WE ARE

Skills Canada Saskatchewan (SCS) is a province-wide **not-for-profit organization** with a variety of initiatives **encouraging Saskatchewan's youth** to pursue rewarding **careers in skilled trades and technologies**.

OUR MISSION

To promote and engage Saskatchewan youth in skilled trades and technologies.

Skills Canada Saskatchewan promotes the skilled trade and technology occupations through **hands-on interactive activities, education, skill development, and career opportunities**. Our year-round programming within the Public, Private, Catholic, and First Nation's school systems brings awareness; to teachers, students, parents, and the public, of the skilled trades and technologies careers, and their importance to Saskatchewan. Our competitions showcase the talent of our youth and the complexity in skilled trades and technologies.

Our flagship event, the Skills Canada Saskatchewan Provincial Competition showcases the talent of our youth and the complexity and diversity in skilled trade and technology careers.

WHAT WE DO

- Skills Camps (Grades 6 and up)
- Women in Trades & Technologies (WITT) Events
- Career Fairs
- Trade and Tech Day with Skills Canada Saskatchewan and Partners
- Northern Regional Competitions
- Professional Development Information Days for teachers and guidance councillors
- Provincial, National, and International Competitions (Secondary, Post-Secondary, and Apprentice Students)

GET INVOLVED

Students from high school and post-secondary can register to compete in **over 35 skilled trade and technology competitions.**

Alumni can sign up for free at any time, become part of the movement to **promote skilled trade and technology careers to youth** across the province.

Industry, labour, education and government – we want to partner with you to highlight trade and technology careers that are a priority in your organization. You can **sponsor** our competitions or current programming, or we can develop a specific program that works for you! **Assist as an expert** on our Provincial Technical Committees, volunteer as a judge, provide in-kind donations during our events and much more.

EDUCATORS

Support your students to compete at the annual Skills Canada Saskatchewan Provincial Competition for their opportunity to win a gold medal in their chosen skill area for a chance to advance onto the Skills Canada National Competition and every second year the WorldSkills Competitions.

Host us at your school for our trade and tech days or information sessions, or volunteer as a Provincial Technical Committee member to assist with development of the project and implementation on competition day.
